In our clients' words

What makes us different

Wtransnet is recognized in the road transport and logistics sector to have a **unique business approach**, committed to enhance security and confidence within the **spot freight market** and in the entire supply chain.

QAP

All our members must pass our strict **Quality Assurance Policy**. Over the years we have declined more than 3,000 companies.

We exclude companies that **fail to meet the quality standards** required by Wtransnet.

All Wtransnet members have signed our **code of ethics**.

We reward companies that follow **best practices** by increasing their visibility.

The **Audit Committee** is a body that ensures compliance with the regulation and the ethical code of Wtransnet.

The only Freight Exchange company with **real payment guarantee** for all clients.
